

Thank you for your interest in the University at Buffalo! You are ready to apply via PharmCAS when you plan to have all undergraduate prerequisite courses and the PCAT completed by the end of the summer semester prior to fall matriculation. The following courses satisfy prerequisite expectations for our professional Doctor of Pharmacy [PharmD] degree program:

Pharmacy Prerequisite Courses

Corning Community College Courses

Introductory Biology I with Laboratory	BIOL 1510 General Biology I
Introductory Biology II with Laboratory	BIOL 1520 General Biology II
General Chemistry I with Laboratory	CHEM 1510 General Chemistry I
General Chemistry II with Laboratory	CHEM 1520 General Chemistry II
Organic Chemistry I with Laboratory	CHEM 2010 Organic Chemistry I
Organic Chemistry II with Laboratory	CHEM 2020 Organic Chemistry II
Calculus I	MATH 1510 Fundamental Concepts Calculus I or MATH 1610 Calculus I
Calculus II	MATH 1520 Fundamental Concepts Calculus II or MATH 1620 Calculus II
Anatomy	BIOL 2020 Anatomy & Physiology I & BIOL 2030 Anatomy & Physiology II
Physiology	BIOL 2020 Anatomy & Physiology I & BIOL 2030 Anatomy & Physiology II
Microbiology	BIOL 2010 Microbiology
Biochemistry	BIOL 2050 Cell Biology
Statistics	MATH 1310 Elementary Statistics
English Composition I	ENGL 1010 College Composition I
English Composition II	ENGL 1020 College Composition II
Social Behavioral Science	Any course offered in ANTH, ECON, PSYC, SOCI, or SPCH

Notes about the prerequisites:

- ◆ All prerequisite courses must be completed with a grade equal to or greater than C- by the end of the summer and prior to fall matriculation within 5 years preceding admission ([see website for details](#)). Completion of courses during the first summer session (generally from the end of May until the end of June) is expected and applicants must receive prior written approval by emailing pharm-admit@buffalo.edu.
- ◆ The University at Buffalo School of Pharmacy and Pharmaceutical Sciences (SPPS) admissions committee reserves the right to rescind an offer of admission if grades below C+ are received in multiple courses in the same terms during the fall, spring or summer semesters prior to fall matriculation in the PharmD program.
- ◆ Any prerequisites not offered at CCC can be taken at another institution. UB SPPS does not articulate courses or evaluate transcripts. To find equivalent courses, please refer to UB's Course Equivalency Guide (taurus.buffalo.edu) or course descriptions in UB's undergraduate catalog (catalog.buffalo.edu). Candidates should adhere to General Education requirements of their home campus. *Please contact the Office of Admissions and Advisement if considering undergraduate transfer to UB to complete prerequisites, as additional courses may be required.*
- ◆ It is critical that all students possess the ability to communicate effectively using both the oral and written English language. In addition to intellectual and academic competence, the school's admissions committee considers communication skills, leadership ability, community service, health care-related or research experience, and motivation for pursuing a career in pharmacy.
- ◆ All students are expected to have computer skills, specifically proficiency in personal computer operating systems, word processing and use of email. Also expected are abilities to access menu-driven programs, online databases and resources on various computer networks and on the internet, and the ability to produce professional documents utilizing data that has been accessed and manipulated from a wide range of resources.
- ◆ UB SPPS faculty have established Personal Attributes and Capabilities Essential for Admission, Progression, and Graduation (Technical Standards) for our Doctor of Pharmacy Degree. Learn more about the SPPS PharmD Technical Standards here: www.pharmacy.buffalo.edu/academic-programs/pharmd/Technical_Standards.

Curriculum may be modified as professional competencies change and new areas develop. Required prerequisites and course equivalencies are subject to change. For updates, visit pharmacy.buffalo.edu/admissions.
