Next Steps:

Please complete the SPPS Pharmacy Summer Institute Health and Release Form listed at the bottom of our website. It is a required form and we cannot enroll a student without it.

The Institute includes an Undergraduate Admissions visit and residence hall tour of the North Campus and tours of South and Downtown Campuses. Dress appropriately for air-conditioned rooms and the weather (bring a raincoat and umbrella if needed). Shorts and t-shirts are appropriate for camp.

Families may register for an Undergraduate Admissions [Visit UB Program](#) on their own held at various times throughout the Institute. The presentation is 30 minutes and the walking tour is 2 hours. Limited spots are available, register early.
