## Cath of a Pharmacist

I promise to devote myself to a lifetime of service to others through the profession of pharmacy. In fulfilling this vow:

Jwill consider the welfare of humanity and relief of suffering my primary concerns.

Jwill apply my knowledge, experience, and skills to the best of my ability to assure optimal outcomes for my patients.

Jwill respect and protect all personal and health information entrusted to me.

Jwill accept the lifelong obligation to improve my professional knowledge and competence.

Jwill hold myself and my colleagues to the highest principles of our profession's moral, ethical and legal conduct.

Jwill embrace and advocate changes that improve patient care.

Jwill utilize my knowledge, skills, experiences, and values to prepare the next generation of pharmacists.

I take these vows voluntarily with the full realization of the responsibility with which I am entrusted by the public.
