

FIFTEENTH PHARMACEUTICS SYMPOSIUM PROGRAM

July 27-29, 2023

SPONSORSHIP LEVELS

*The University at Buffalo Department of Pharmaceutical Sciences will host its
15th Buffalo Pharmaceutics Symposium during July 27-29, 2023.*

More than 150 students, post-docs, faculty and visiting scientists are expected to attend. The symposium will allow the school to expose undergraduate and graduate students and post-doctoral fellows to cutting edge research, as well as provide alumni, faculty and industry partners with the opportunity to exchange valuable scientific knowledge.
