2016 Annual Experiential Education Preceptor Development Program

“JCPP Pharmacists’ Patient Care Process”
Nicole Albanese, PharmD, CDE, BCACP
Clinical Assistant Professor, Director, PGY2 Ambulatory Care Residency

Robert Wahler, Jr. PharmD, CPE
Clinical Assistant Professor, Geriatrics and Palliative Care

Learning Objectives:
1) Describe the Joint Commission of Pharmacy Practitioners (JCPP) Pharmacists’ Patient Care Process (PPCP) to your peers and other health care providers.
2) Identify best practices for JCPP PPCP implementation into your practice.
3) List chronologically, the development of the PPCP.
4) Discuss changes needed in your precepting pedagogy to produce work-ready practitioners versed in the JCPP PPCP.

When: Tuesday, October 25, 2016 5:30PM – 8:00PM EDT
Location: 125 Kapoor Hall

THIS PROGRAM IS ALSO AVAILABLE VIA WEBEX!!

Why You Should Attend:
Continuing Education – The JCPP PPCP is being established as the national model for patient care across all practices settings. It is a culmination of years of evolution and controversy in the way pharmacists practice our profession. This program will provide you with an understanding of the development of the PPCP as well as how to take ownership of it in your practice. It will allow you to be better in fostering your professional responsibility to develop the next generation of pharmacists.

Target Audience: UB Pharmacy Preceptors (Pharmacists in all practice settings)

THERE IS NO FEE FOR THIS PROGRAM FOR UB SPPS PRECEPTORS
USE CODE #EEJCPP when registering on-line at https://www.pharm.buffalo.edu/CE/
Your WebEx instructions will be on your program registration confirmation page.
DO NOT USE YOUR PRECEPTOR CREDITS FOR THIS PROGRAM

Program Schedule (EDT)
