

Thank you for your interest in the University at Buffalo! You are ready to apply via PharmCAS when you plan to have all undergraduate prerequisite courses and the PCAT completed by the end of the summer semester prior to fall matriculation. The following courses satisfy prerequisite expectations for our professional Doctor of Pharmacy [PharmD] degree program:

Pharmacy Prerequisite Courses	Schenectady County Community College Courses
Introductory Biology I with Laboratory	BIO 141 Biology I
Introductory Biology II with Laboratory	BIO 142 Biology II
General Chemistry I with Laboratory	CHM 121 General Chemistry I
General Chemistry II with Laboratory	CHM 122 General Chemistry II
Organic Chemistry I with Laboratory	CHM 228 Organic Chemistry I
Organic Chemistry II with Laboratory	CHM 229 Organic Chemistry II
Calculus I	MAT 180 Calculus I
Calculus II	MAT 181 Calculus II
Physics I	PHY 153 Physics I or PHY 221 College Physics I
Anatomy	BIO 151 Anatomy & Physiology I & BIO 152 Anatomy & Physiology II
Physiology I	BIO 151 Anatomy & Physiology I & BIO 152 Anatomy & Physiology II
Physiology II	<i>Comparable course not offered at Schenectady County Community College</i>
Microbiology	BIO 241 Microbiology
Biochemistry	<i>Comparable course not offered at Schenectady County Community College</i>
Statistics	MAT 147 Statistics
English Composition I	ENG 123 College Composition or HON 123 Honors College Composition
English Composition II	ENG 124 Literature & Writing or HON 124 Honors English
Social Behavioral Science	Any course offered in ANT, COM, ECO, PSY, SOC, or SPE

Notes about the prerequisites:

- ◆ All prerequisite courses must be completed with a grade equal to or greater than C- by the end of the summer and prior to fall matriculation within 5 years preceding admission ([see website for details](#)). Completion of courses during the first summer session (generally from the end of May until the end of June) is expected and applicants must receive prior written approval by emailing pharm-admit@buffalo.edu.
- ◆ The University at Buffalo School of Pharmacy and Pharmaceutical Sciences (SPPS) admissions committee reserves the right to rescind an offer of admission if grades below C+ are received in multiple courses in the same terms during the fall, spring or summer semesters prior to fall matriculation in the PharmD program.
- ◆ Any prerequisites not offered at Schenectady County Community College can be taken at another institution. UB SPPS does not articulate courses or evaluate transcripts. To find equivalent courses, please refer to UB's Course Equivalency Guide (taurus.buffalo.edu) or course descriptions in UB's undergraduate catalog (undergrad-catalog.buffalo.edu). Candidates should adhere to General Education requirements of their home campus. *Please contact the Office of Admissions and Advisement if considering undergraduate transfer to UB to complete prerequisites, as additional courses may be required.*
- ◆ It is critical that all students possess the ability to communicate effectively using both the oral and written English language. In addition to intellectual and academic competence, the school's admissions committee considers communication skills, leadership ability, community service, health care-related or research experience, and motivation for pursuing a career in pharmacy.
- ◆ All students are expected to have computer skills, specifically proficiency in personal computer operating systems, word processing and use of email. Also expected are abilities to access menu-driven programs, online databases and resources on various computer networks and on the internet, and the ability to produce professional documents utilizing data that has been accessed and manipulated from a wide range of resources.
- ◆ UB SPPS faculty have established Personal Attributes and Capabilities Essential for Admission, Progression, and Graduation (Technical Standards) for our Doctor of Pharmacy Degree. Learn more about the SPPS PharmD Technical Standards here: www.pharmacy.buffalo.edu/academic-programs/pharmd/Technical_Standards.

Curriculum may be modified as professional competencies change and new areas develop. Required prerequisites and course equivalencies are subject to change. For updates, visit pharmacy.buffalo.edu/admissions.
